Summary

Results-oriented Web Developer specializing in front-end development and WordPress, known for a strong work ethic and commitment to excellence. With a unique blend of technical expertise and creative insight, I have a proven record of delivering quality freelance projects on Fiverr, adapting seamlessly in dynamic environments. I hold a Bachelor's degree in Computer Science and Engineering (CSE) from Bangladesh University of Business and Technology (BUBT), with a solid foundation in web development, programming, and problem-solving. Passionate about continuous growth, I am seeking IT roles where I can leverage my skills to create impactful digital solutions.
